

## Certified Pharmacy Technician Program- Fact Sheet

### Program Goal

The goal of this program is to prepare graduates for careers in the pharmacy profession where they will either assist pharmacists with a variety of medication preparation, labeling and record-keeping tasks or perform a variety of functions in a pharmaceutical manufacturing company.

### Program Description

The Pharmacy Technician Course is a 20-week program of instruction that prepares individuals for entry-level jobs as a Pharmacy Technician in retail and institutional settings. Students will learn to prepare prescription orders under the supervision of a licensed pharmacist, perform applicable pharmacy calculations and comply with federal and state regulations.

**Program Duration:** 20 weeks

**Program Eligibility:** Must be at least 18 years of age and have a GED or high school diploma

**Program Fees:** \$6995 with payment plan available upon request, cost includes a blood pressure cuff, stethoscope, two sets of uniforms, books and registration fee for certification examination and drug test.

### Program Certifications

Upon completion of this program students will be able to take the certification examination offered by the Pharmacy Technician Certification Board to become a nationally Certified Pharmacy Technician (CPHT).

**Program Flexibility:** We have flexible day, evening and weekend program schedules.

### Employment opportunities

Graduates from this high demand program may find employment with pharmacies, pharmaceutical manufacturers, hospitals, mail-order drug companies, long-term care facilities and insurance companies.
